

The Water Research Commission (WRC) is a dynamic hub for water and sanitation knowledge, innovation and intellectual capital, providing leadership and the support research, development and innovation of water and sanitation solutions. It engages stakeholders and partners involving water and sanitation challenges and opportunities, which are crucial to South-Africa's sustainable development and economic growth, and is committed to promoting a better quality of life for all. The WRC is a schedule 3A public entity and adherence to required legislation is imperative to the organization's strategy and values. The WRC therefore needs a Chief Audit Executive that understand the legislative/regulatory environment within which it works as it demands from the internal audit function high levels of competency and professionalism to minimize and manage risk for the organisation.

Applications are invited from suitably qualified, experienced individuals for the Pretoria-based position of:

CHIEF AUDIT EXECUTIVE (PERMANENT APPOINTMENT)

KEY QUALIFICATIONS
