

# **Adaptive management in the planning and execution of transdisciplinary social-ecological research**

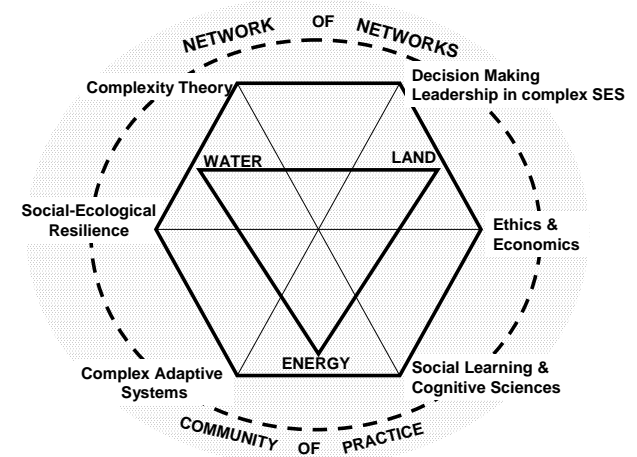

**Tally Palmer**

# Experience

- **Australia: building a transdisciplinary team so as to engage with a “wicked” problem**
- **NRF - Akili: Complexity and Integration - building a national community of practice**
- **SANPAD: From policy to practice: enhancing implementation of water policies for sustainable development**  
**Crafting the water playground: learning to breach implementation barriers & blockages.**

## TRANSDISCIPLINARY (TD) TEAM

Tally Palmer  
 Jacqueline Gothe  
 Cynthia Mitchell  
 Sally McLaughlin  
 Chris Riedy  
 Kate Sweetapple  
 Grant Hose  
 Deepak Sharma  
 Heather Goodall  
 Marian Lowe  
 Peter Jones  
 HNCMA  
 Trudy Green  
 Kerry Brew

# Core & Useful Concepts

- Complexity
  - Social-ecological systems
  - Resilience
  - Social learning
- 
- Co-creation of knowledge
  - Centrality of context, scale & feedback
